# 12. The 2 yrs term stands already and it leaves the people the option of whether they want that candidate back in or not,

# 15. With the decisions that are being made for the public schools now and the forced issues, this is a hard question to answer. I can see why parents are deciding to move their children to different education options! there are too many parent rights being taken away and teaching the history of our nation has been removed. How can a child know what past history was if it is not taught in school?
