My completed survey is attached.

As a forty-five year educator and over 30 year business owner beginning as early as 1972 I well explain

Question twelve and fifteen.

12. I have served 7 terms as a State Senator and Town Council member. Experience counts in Government. The voters always have a choice!

15. I have researched Charter Schools and applied years ago for a Charter School. The rules are too relaxed. Most are just money makers for big companies. I have researched this issue for years! I have also worked in over fifty school systems in our State. They too have many issues.

Thank you for all your organization does for our State. As a married man for 49 years with three children, a long time Gideon and a lifetime Church member your organization is appreciated.
