I will not be filling out and returning the questionnaire. It is quite obvious to me that your organization is espousing an evangelical "Christian" stance, and that your unspoken purpose is to turn our nation into an evangelical Protestant "Christian" theocracy. If you were allowed to do so, in the long run it's obvious to me that other religions, of which there are dozens, would end up being marginalized or even banned. I find your Fascist approach to government to be antithetical to the views and desires of most of the people in this country.

I have absolutely NO desire to have you endorse me. In fact, I would be honored if you posted the paragraph above and attributed it to me.
