4. In the space below, or on a separate sheet of paper, please describe your overall judicial philosophy.

My judicial philosophy is that our judicial system should be equally accessible to all citizens with independent, fair and impartial Judges that commit to protecting and defending the NC and US Constitutions for all citizens. Every citizen deserves to be treated with respect, to be heard and treated fairly.

5. In the space below, or on a separate sheet of paper, please describe the role faith plays in your daily life.

My Lord and Savior Jesus Christ is at the forefront of my life in all that I do. I am cognizant that our creator is a God of love, and forgiveness as well as mercy and grace. I am the offspring of Christian parents that taught Christian values on how to interact with people and meet them where they are. All people are not caring and loving nor tolerant of others and our differences, however, God is and it is my obligation as His creation to be the same. Everyone has not had the same opportunities as I and nor have they been through the same experiences as I however we are ALL children of our creator. I seek the Word and prayer for guidance in all I do including the work I have been purposed to do on the bench.
