4. In the space below, or on a separate sheet of paper, please describe your overall judicial philosophy.

I believe that judges should follow the Constitution, statutory, and prior case law. A
judge should never legislate from the bench in deciding cases. Judges should dispense
justice fairly and objectively while staying committed to our oath of office. The law is for the
people and by the people, therefore judges should interpret the law as written and not
circumvent the will of the people.

5. In the space below, or on a separate sheet of paper, please describe the role faith plays in your daily life.

I am a proud Christian who believes that your faithfulness to the word of God brings more
blessings into your life. I pray daily that the will of God be done and that he guides my path.
I will never forsake my faith or my spiritual well being while staying dedicated to God,
Country, and family!
