Dear NC Family Policy Council,

I'm not asking anyone to vote for me. I'm just buying permission to vote for myself. Otherwise the demopublican regime would throw it away. They routinely, OPENLY falsify the vote tallies, via NC General Statute 163-123(f). If we want control of our government we must get control of our vote.

Kind regards,
Ray Ubinger
Libertarian on the ballot for NC Senate 22
