To The NC Family Policy Council:

I appreciate it that your organization reached out with an endorsement questionnaire.

I am a former District Court judge and Superior Court judge with over 25 years of legal and judicial experience. As a trial attorney and former judge, I understand the importance of consistently applying the law to the facts of each case.

For over ten years, I handled cases of abuse, neglect, and nonsupport of children. My practice has always included representing victims of domestic violence and their children. As a part of giving back to the community, I also serve as a volunteer Teen Court Judge and youth mentor to help first-time youth offenders accept responsibility for their conduct and learn about the court system.

As a candidate for the NC Court of Appeals, I am not permitted to discuss any potential issue that may come before the Court.

Sincerely yours,

Carolyn J. Thompson
