Good afternoon, Mr. Ruskin:

I was given your email information from a lady in your office regarding an error on the 2022 Questionnaire that was submitted in July. It has just come to our attention over the weekend that #3 was mistakenly marked with a NO answer, which IS NOT Brian Bigg's belief or position on the matter.

The lady that I spoke to this morning had suggested that we write up a simple explanation of the error and our explanation would be linked to Mr. Biggs Candidate Questionnaire on your website.

We respectfully request that any further publications for voter guides would reflect Brian's correct answer.

OUR RESPONSE: *Regarding Question #3 on the questionnaire: The answer was mistakenly marked NO. The correct and ONLY answer is YES, I believe that abortion should be prohibited in North Carolina once a fetal heartbeat is detected. I believe that life begins at conception. I will continue to stand for LIFE and apologize for any confusion this clerical error may have caused voters.

I appreciate any and all help on this matter.

Sincerely, Casandra Griffin 336-259-5242
Campaign Manager for Brian Biggs.
