ADDITIONAL COMMENTS

3. I am a PRO-LIFE SUPPORTER unless there is risk for the health and well being of either the mother or the baby. The mother and family members should consult with their Medical Team when making this decision. I also feel that it should be the decision of the family members of the baby if the mother was raped or incest was performed during conception.

5. I do not agree with the legalization of marijuana due to the fact that those that hold a Commercial Driver's License are prohibited for using any drugs. I believe this could be disastrous for the trucking industry.
